

ENGINEER/TRAINER

DARPAN ANEJA

ABOUT ME

Being self-motivated and enlightened individual with an Electronics and Communication background, I am seeking an opportunity to explore the domain of IT industry to use my skills of Web Development, or become a Software Developer/Engineer and realise my dream. Considered good in logic building, I want to use my abilities to level up myself according to industry standards and make my employers, who would invest a lot on me, prosper with all of my potencies and proficiencies at their disposal.
