ABOUT ME

Hi I'm Arwaz Khan

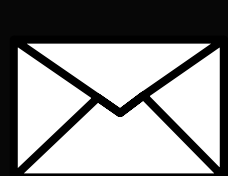

I Am UI/UX Designer And Develop Dynamic Websites For Small And Medium Business

I started web designing and development 1.4 years ago and i enjoy working as a freelancer. I have specialization in graphic designer , logo designer, HTML5, CSS3, Javascript, PHP, jQuery, flutter, Android studio, bootstrap, web developer and android developer. Each site i developing is built to be search engine friendly, using the latest the development principles and techniques and i see things around me and realise that there is so much to discover, learn and improve. To find out more about what i can do for you check out my work i am currently available for freelance work if you would like to hire me
