Mobile +91 7014089098, Email: rohantaneja111@gmail.com

I have been lucky enough to spend my last 2 years traveling India and writing as I go; visiting northern states such as Himachal, Uttrakhand, and Rajasthan.

Working as a Freelance Content writer while traveling has shown me the importance of organization and forward planning in order to never miss a deadline. It has also required me to be both focused and resourceful while traveling, and posting digital content across multiple platforms.
